

Dear Students,

**Important: Make-Up Arrangements for the University Life Orientation Workshops (UOW) Originally Scheduled for 23 August 2017**

Below please find details on the make-up arrangements for the UOW 3 Library workshops cancelled yesterday (23 August 2017) due to the passage of Typhoon HATO:

**UOW 3 Library Workshop: Get Ready for University Research**

These workshops will **not** be rescheduled.

There are two online make-up tasks:

1. Review the presentation “**Get Ready for University Research**”
2. Complete an online test called the **Research Readiness Self-Assessment (RRSA)**

All of the information needed to complete the make-up tasks can be accessed via the LIB01 course on HKBU Moodle: <https://buelearning.hkbu.edu.hk/course/view.php?id=2262>

You should complete these tasks by **8 September 2017**.

If you need any help completing the make-up requirement, please visit the Information Desk on Level 3 of the Main Library, e-mail [libref@hkbu.edu.hk](mailto:libref@hkbu.edu.hk), or call 3411-2711.

**Important Notes:**

- **When you sign up for the RRSA, you MUST register using your HKBU e-mail address. This will allow the Library to verify that you have completed the make-up requirement.**
- **Your completion of the UOW 3 make-up requirement will not be immediately reflected on your record in BUniport, as some time is needed for verification.**

Thank you for your kind attention.
