With the theme of “Partnering for Excellence: Bridging Learning Experience from Senior Secondary to University”, the event sought to enhance communications between the University and secondary schools in order to achieve a better partnership for implementing the new academic structure.

The theme was discussed at a plenary session presided over by Dr. So Kwok-sang, Academic Registrar of HKBU. The speakers from HKBU were Professor Chang Ling, Associate Vice-President and Dean of Arts, and Professor Reza Hoshmand, Director of the General Education Office. They also took the opportunity to tour HKBU's campuses, with stops at the University Library, the Communication and Visual Arts Building, the School of Chinese Medicine, the Academy of Visual Arts, the Laboratory for Immersive Arts and Technology, and the College of International Education.
